

Creative Teaching Strategies

Workshops exploring the *how* of teaching and learning.

Workshops for Primary and Secondary Teachers, across the curriculum, exploring strategies that make teaching and learning more engaging and stimulating. Let's get practical !

Exploring approaches that enable learning to be more physical, interactive and involving. Each Workshop is unique.

What practical strategies can we use in delivering the new National Curriculum?

Darron Davies of [In Clued Ed.](#) formerly *Know Drama*, is a teacher and presenter with experience in primary, secondary, tertiary and special needs education.
